ZIP folder	File name	File format	Content
	2025-041_Zwaan-et-al_data-description	.pdf	Description of data and methods
	2025-041_Zwaan-et-al_List_of_files	.pdf	List of files
2025-041_Zwaan-et-al_1_Topography_videos	87-001_Topography	.mp4	video of topography evolution of model 87-001
	87-002_Topography	.mp4	video of topography evolution of model 87-002
	87-003_Topography	.mp4	video of topography evolution of model 87-003
	87-004_Topography	.mp4	video of topography evolution of model 87-004
	87-005_Topography	.mp4	video of topography evolution of model 87-005
	87-006_Topography	.mp4	video of topography evolution of model 87-006
	87-007_Topography	.mp4	video of topography evolution of model 87-007
	87-008_Topography	.mp4	video of topography evolution of model 87-008
	87-009_Topography	.mp4	video of topography evolution of model 87-009
	87-010_Topography	.mp4	video of topography evolution of model 87-010
	87-011_Topography	.mp4	video of topography evolution of model 87-011
	87-012_Topography	.mp4	video of topography evolution of model 87-012
	87-013_Topography	.mp4	video of topography evolution of model 87-013
2025-041_Zwaan-et-al_2_Maximum_normal_strain_videos	87-001_MNS	.mp4	video of incremental maximum normal strain data from model 87-001
	87-002_MNS	.mp4	video of incremental maximum normal strain data from model 87-002
	87-003_MNS	.mp4	video of incremental maximum normal strain data from model 87-003
	87-004_MNS	.mp4	video of incremental maximum normal strain data from model 87-004
	87-005_MNS	.mp4	video of incremental maximum normal strain data from model 87-005
	87-006_MNS	.mp4	video of incremental maximum normal strain data from model 87-006
	87-007_MNS	.mp4	video of incremental maximum normal strain data from model 87-007
	87-008_MNS	.mp4	video of incremental maximum normal strain data from model 87-008
	87-009_MNS	.mp4	video of incremental maximum normal strain data from model 87-009
	87-010_MNS	.mp4	video of incremental maximum normal strain data from model 87-010
	87-011_MNS	.mp4	video of incremental maximum normal strain data from model 87-011
	87-012_MNS	.mp4	video of incremental maximum normal strain data from model 87-012
	87-013_MNS	.mp4	video of incremental maximum normal strain data from model 87-013
2025-041_Zwaan-et-al_3_Horizontal_displacement_video	87-001_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-001
	87-002_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-002
	87-003_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-003
	87-004_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-004
	87-005_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-005
	87-006_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-006
	87-007_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-007
	87-008_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-008
	87-009_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-009
	87-010_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-010
	87-011_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-011
	87-012_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-012
	87-013_Horizontal_displacement	.mp4	video of horizontal displacement data from model 87-013
	87-001_sand	.jpg	high-resolution model surface topography reconstruction of model 87-001
	87-001_sand	.tif	high-resolution model surface topography reconstruction of model 87-001
	87-001_silicone	.jpg	high-resolution silicone layer topography reconstruction of model 87-001
	87-001_silicone	.tif	high-resolution silicone layer topography reconstruction of model 87-001
	87-002_sand	.jpg	high-resolution model surface topography reconstruction of model 87-002
	87-002_sand	.tif	high-resolution model surface topography reconstruction of model 87-002
	87-002_silicone	.jpg	high-resolution silicone layer topography reconstruction of model 87-002
	87-002_silicone	.tif	high-resolution silicone layer topography reconstruction of model 87-002
	87-003_sand	.jpg	high-resolution model surface topography reconstruction of model 87-003
	87-003_sand	.tif	high-resolution model surface topography reconstruction of model 87-003
